### High School Awards Program

A centerpiece of the DC Phi Beta Kappa Association's commitment to the community is the **High School Awards Program**, in which outstanding area students are assessed for their scholarship and community service. This year we received 130 applications from the District, Maryland, and Virginia, and all were so deserving that it was quite a challenge to choose the final four, each of whom will receive a \$1,000 scholarship, and a pertinent book. We unfortunately will not be able to hold an in-person ceremony now, but hope to do so next year.

#### Our 2022 winners are:

**Shaina Adams** attends Woodrow Wilson High School in Washington, DC. Shaina has studied at the Kudan Institute of Language and Culture in Japan and leads an online Japanese learning

community. She is the co-founder and head of mentoring for her school's Minorities in Advanced Placement (MAP) committee, addressing the lack of diversity in advanced classes, as well as a harpist in both orchestra and jazz band. Shaina has worked as an intern with The World Bank Group and is her school's representative in the Citywide Student Voice Council. Shaina will be attending Harvard University, where she will study economics and East Asian Studies.

**Dhruv Pai** attends Montgomery Blair High School in Maryland. Dhruv is the co-founder and President of Teens Helping Seniors, an international non-profit with over 1000 volunteers that has made 3500+ grocery and medication deliveries to seniors during the COVID-19 pandemic. He is a Board Member for the Montgomery Blair Counseling Advisory Committee, working to improve his school's counseling services. At Montgomery Blair, he also captains the Math Modeling Club, Internet of Things Club, and serves as President of the Math and Science Honors Societies. He is still deciding on a university, currently choosing between Yale, Harvard, Stanford, and MIT.

**Vishnupriya Alavala** attends Freedom High School/Academies of Loudoun in Virginia. Vishnupriya is President of her school's Medical Association Club that engages students with anatomy and physiology. She has interned with the Interdisciplinary Program in Neuroscience at George Mason University and worked as a medical volunteer with the Red Cross and the Virginia Volunteer Health System (VVHS) Medical Reserve Corps. She has tutored in various fields for the past 7 years and is the editor of the Women's Entrepreneurial Opportunity Project blog. She will be attending Virginia Commonwealth University (VCU), where she will study biology in the Guaranteed Admission Program for Medicine (B.S./M.D.).

**Carina Guo** attends Richard Montgomery High School in Maryland. Carina is the co-founder and captain of her school's Debate Team and is currently ranked 1st in the state by the National Speech & Debate Association. She has participated in the C-SPAN StudentCam Documentary Contest, with honorable mentions in 2019 and 2020, 3rd prize in 2021, and 2nd prize in 2018. Carina has worked as a research intern for professors at MIT and BU studying COVID vaccine development and with the non-profit Paper Bridges as President of their Maryland chapter. She will be attending the University of Pennsylvania, where she will study economics and computer science.

## **A German Happy Hour—Die Plauder-Stunde**

As members of PBK, many of us have had the opportunity to learn different languages and immerse ourselves in other cultures. The “*Plauder-Stunde*” was designed to give PBK members who have learned German a chance to practice their language skills and discuss a wide range of topics. Due to the pandemic, we relied on Zoom for our meetings and held our most recent Happy Hour on Thursday, March 31. We now hope we will soon be able to see each other in person and are planning ways to host the German Happy Hour at different locations and to promote German culture opportunities in the Washington, DC area.

We plan an in-person get-together on **Wednesday, May 25 at 6:00 PM** at a member’s home in Arlington, a few short blocks from the Virginia Square Metro stop (Orange Line). Weather permitting, the Happy Hour will take place at the poolside. This will again be an opportunity to practice our German language skills in an informal setting. If you wish to propose a topic for this evening, please let us know. *Es gibt viel Neues, ueber das wir "plaudern" koennen und dabei ein leichtes Abendbrot verzehren.*

If you have any questions, please reach out to Kenny Sobek ([jksobek@gmail.com](mailto:jksobek@gmail.com)) and Christel McDonald ([ChrisJohnMcDon@aol.com](mailto:ChrisJohnMcDon@aol.com)) so that we can send you details and confirmation a week before our May 25 gathering.

## **Young Professionals (YP) Network**

It’s really exciting that so many people are transitioning to in-person meetings, and YP wants to try that, too. We’re working on plans for spring and summer events, so keep checking the website for updates. Also, if you are someone who has lots of good ideas for the DC YP Network? Or a cool event you think we would enjoy, please let us know!

If you are interested in getting involved with the DC YP Network, or if you have any other questions or ideas for the future, please Hunter Hamrick at [hunterhamrick@gmail.com](mailto:hunterhamrick@gmail.com).

## **International Health and Development Salon: What is ESG?**

Our next quarterly Salon will be held via **Zoom on Sunday, May 15 from 12:00-1:00 PM**. We will unpack the recent and highly consequential trend in public and private development known as **ESG**. Since 2019 this movement has stressed the **Environmental, Social, and Governance** dimensions of humanitarian projects and financial organizations. **ESG** redefines the purpose of public and private investments beyond mere profit-making or pursuit of national interests by stressing benefit for all stakeholders through such policies as mitigating global warming, supporting communities and labor, and assuring responsible and value-driven management.

We will discuss how **ESG** is driving the design of international development projects and investor preferences in the financial sector. A growing industry has emerged for monitoring and reporting on **ESG** impacts. What standards do we think are needed to ensure that we live in a world that is sustainable and just? What impact is **ESG** likely to have on improving human well-being worldwide? Please sign up at our website [dcpbk.org](http://dcpbk.org) for joining instructions. Also, note that you may invite a non-DCPBK guest to this Salon on the registration page. Meanwhile, feel free to email **Dr. Deirdre LaPin** at [dlapin21@yahoo.com](mailto:dlapin21@yahoo.com) for topic suggestions, information or questions.

## **Coffee & Conversation Series with Emily Skor, CEO of Growth Energy**

Please join us for our next installment of Coffee & Conversation on **Thursday, June 23rd at 6:00 PM** with **Emily Skor, CEO of Growth Energy**, the country’s premier biofuel trade association, which represents over half of the nation’s total ethanol production and tens of thousands of ethanol supporters

around the country. Emily will be speaking to us about her work in leading this trade association, including advocating for better policy around biofuels, launching public affairs campaigns to educate the public about ethanol and its impact on the environment, and Growth Energy's goal of repositioning ethanol as a critical tool in decarbonizing the transportation sector and reaching net-zero climate goals by 2050. Additionally, Emily will be speaking to us about the considerations involved in leading a large trade association and also about her prior professional experiences in crisis communications and branding/marketing.

Emily Skor

Under Emily's leadership, Growth Energy membership has grown to include 89 plant producers and 94 innovative businesses that support biofuel production, including the largest ethanol producers in the country--POET, ADM, Marquis Energy and The Anderson. Emily was inducted into Phi Beta Kappa at Wellesley College.

Registration information will be sent in the coming weeks, so please be on the look-out. Guests are always very welcome and encouraged to attend!

Thanks!

## **Book Club News and Reviews**

### **April Meeting Recap**

On April 25, three members of the Book Club met on Zoom to discuss ***Until the End of Time: Mind, Matter, and the Search for Meaning in an Evolving Universe*** by Brian Greene. This was a true tome, which our group usually loves to dive into, but Greene's presentation, threading entropy, gravity, quantum calculations, with social-cultural observations, was a tough investment. Those who stick with each chapter are certainly rewarded with insights into the latest scientific theories about the formation and growth of the universe and our place within it.

Our remaining selections for the Spring 2002 Series:

May 19: ***Fathers and Sons*** by Ivan Turgenev (Classic, 244 pages)

May 31: ***The Skin of the Sea*** by Natasha Bowen (International, Nigeria/West Africa, 336 pages)

Both meetings will be held at **6:30 PM on Zoom**. I am considering an in-person outdoor patio seating event for our June meeting, featuring ***The Sentence*** by Louise Erdrich, with backup on Zoom in case of bad weather or a COVID surge.

I will conduct our voting cycle for July-December between the May and June meetings, and I will soon send an email out to Book Club participants stating that.

I hope to see many of you there!

Sincerely, Kate Smith  
Book Club Coordinator

### **Mentorship Network News**

Please join us for a Mentorship Mixer on **Thursday, June 9 at 6:30 PM**. This will be the first mentorship event of the year, and we look forward to gathering interested mentors and mentees alike for an evening of conversation and connection around mentorship and professional development. This is a great way to make connections within the PBK community, as well as learning more about the benefits of the DCPBK Mentorship Network. More details to come.

We have new mentors joining our **Mentorship Directory**! If you are looking for career support, check out our lists of mentors by logging into the DCPBK website and reviewing our Mentorship Directory!

We are continuing to seek mentors! Currently, we have a need for mentors in political advocacy or non-profits, natural sciences (biology, chemistry, etc.), public policy, education, finance, and law. We are also looking for more mentors of all career stages and industries; young professionals who can support recent graduates, mid-career professionals who can help members become a supervisor for the first time, and retired members who can support members in seeing the big picture in their careers. Everyone has the ability to become a mentor! In addition, by signing up with the **DCPBK Mentorship Network** as a mentor, you will get access to resources and workshops that will help you develop your coaching skills and boost your mentor confidence!

Becoming a mentor for our Mentor Directory is a low-time commitment! ### Constitution and By-Laws Changes

#### Approval of Amended and Restated Constitution

Dear Members of the DC Area Phi Beta Kappa Association,

We thought it in the best interests of the **DC Area Phi Beta Kappa Association** to make two fairly minor changes to the **Constitution**. Our governing documents require that all changes to the Constitution and/or Bylaws be approved at the Annual Meeting, and that prior written notice of the changes be sent to members in advance of the meeting. For ease of review, here is a description of the changes, shown in Exhibit A:

1. **Changing the Titles of Both Vice President Positions**: We are changing the title of 1st Vice President to Vice President of Chapter Relations and 2nd Vice President to Vice President of Member Experience. We have done this to assist with our recruitment efforts of new leaders, as we believe that these titles make the positions more attractive and marketable to potential applicants.
2. **Amendment Provisions to the Constitution**: The Constitution as drafted only gives us the ability to amend our governing documents (i.e. the Constitution and Bylaws) one time per year: at the Annual Meeting. This is a fairly inflexible amendment provision and would not enable us to make necessary changes to the Constitution and/or Bylaws if needed at a time of the year not near the Annual Meeting. So, we have added two other options to amend the Constitution and Bylaws (without replacing the ability to amend the Constitution and Bylaws at the Annual Meeting): (1) at any meeting of the board with a majority of the members present, but only if there is a quorum, or (2) without a meeting if unanimous written consent is obtained (e.g. via email). These two options to amend the governing documents are in line with practices typical of other non-profits.

### **RESOLUTIONS AT THE ANNUAL MEETING OF THE MEMBERS OF THE DC AREA PHI BETA KAPPA ASSOCIATION**

**June 11, 2022**

**WHEREAS**, the members (***"Members"***) of the DC Area Phi Beta Kappa Association (the ***"Association"***) deem it to be advisable and in the best interests of the Association to amend and restate the current constitution of the Association, dated June 7, 1992 (as amended from time to time) (the ***"Constitution"***), substantially in the form attached hereto as **EXHIBIT A** (the ***"Amended and Restated Constitution"***).

**RESOLVED**, that the Amended and Restated Constitution in the form attached hereto as **EXHIBIT A** be, and it hereby is, adopted and approved in all respects; and

**RESOLVED FURTHER**, that the officers of the Association (the ***"Officers"***) are authorized and directed to execute all documents and take all other actions necessary or advisable in order to carry out and perform the purposes of the foregoing resolutions.

#### General Authorization

**RESOLVED**, that the Members hereby authorize and direct each of the Officers, in the name and on behalf of the Association, to make all such arrangements, to do and perform all such acts and things, and to execute and deliver all such certificates, instruments, documents, and agreements as they may deem necessary or appropriate to effectuate fully the intent and purposes of the foregoing resolutions, and that any and all such actions that may have been taken to date are hereby authorized, ratified, approved and confirmed in all respects.
